WELCOME MESSAGE FROM THE GEORGIA CHAPTER PRESIDENT OF THE BWHESAA

My fellow Spartans:

The Georgia chapter of our illustrious organization has been accorded the honor once more to host the 18th annual convention of BWHAA. Our arms are open and our southern charm expansive.

We invite all Spartans and friends of Sparta to join us in a spirit of camaraderie and philanthropy as we, in our efforts, propel our Alma Mater toward surmountable heights.

BWHAA has embarked upon projects geared toward improving the structural and educational landscape of Bravid Washington Harris Episcopal School and each of us as Spartans, has a charge to aid in steering the helm and navigating into the future.

Therefore, we ask that you have Georgia on your mind in 2010. Come, and let "Spartans do it again;" let's "pledge allegiance to the blue and white."

I look forward to a dynamic and festive Convention 2010.

Gail Fargalo
President
